Practical Information

Dress code

We do not have specific dress code at RWS. However, business casual dress is always a good choice for an interview.

Non-Disclosure Agreement

Most of our candidates are required to sign our NDA so we can disclose sensitive information about our clients and operations. We will be sending you an NDA via DocuSign, where you can review it and e-sign it. It is important to sign it before the start of the interview. You can preview the document [here](#).

Location

Sometimes an address is not enough, so [here](#) are more detailed instructions on how to get to our office in Vlnena Office Park in Brno.
